**President's Corner:** Hello new and returning members. Welcome! Last year was an exciting year and 2010-11 will prove to be even more exciting. We are getting ready for 2010 Houston Fall Invitational, and are looking for volunteers on all levels. Remember, volunteer hours will earn everyone savings on their membership for the following year and it's a great way to be involved with the club and ice skating. For the upcoming year, we are planning workshops, testing opportunities, basic skills competition, social events for the members, and other events. Please join us at our general meeting this Sunday. Have a great skate year. -Shayna Lee, HFSC President
